

21 November 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 21 November 1967

The Director was at the White House. DDCI was in the chair.

DD/I said that the memorandum requested by the Director on the devaluation of the pound is now available.

DD/I passed the DDCI a memorandum outlining the plan to streamline NPIC. DD/I noted that he will have to discuss the matter with General Carroll before implementing the plan.

Godfrey initiated a discussion on Cyprus, noting that the situation is still precarious. DDCI asked that a short analytical paper on the Cyprus situation be prepared.

DD/S reported that we have deferred our recruitment visit to the University of Wisconsin until February.

DD/P reported that he and Houston met with Secretary Nitze yesterday to establish new contractual criteria regarding the use of Air Force aircraft and pilots. DD/P is optimistic about the eventual outcome of the discussions.

DDCI raised the question of the distribution of NIE's to overseas stations and requested that NIE's be sent only to those stations which have a need to know. DD/P agreed to do this.
